Testimonials

The Bell Belbroughton

The barn was so beautiful and magical and the food was incredibly delicious as always! Our wedding coordinator helped us to organise the wedding and we feel so lucky to have had her guide us through the planning process and supporting us on the day. Nothing was ever too much for her, she answered our many questions quickly and with full detail. She was there on the day coordinating the movement of people so that everything ran seamlessly and we could just enjoy every single moment knowing it was all taken care of. Her and the team's attention to detail was beautiful, they thought of everything and the setup of the barn for the ceremony and evening were incredibly beautiful. Even when we made a last minute change, she was calm, assuring and accommodating to our needs!

The Saxon Mill

We were married here in February and we are so glad that we picked this venue for our special day.

The Events Team have been fantastically friendly and helpful at every stage of the planning and event itself (including afterwards). The venue is beautiful, the choice of food and drink for guests was leagues ahead of any other venue we looked at (including far more expensive ones) and the staff are very accommodating in respect of any special requests or ideas to make your wedding unique. We were kept informed without ever being interrupted or burdened.

When I walked into my wedding ceremony, breakfast and evening reception, it was everything I could have wanted each time. We cannot recommend The Saxon Mill enough.

The Sheep Heid Inn

The service was excellent and the food very good and plentiful. All of our guests commented on how good - so that's always nice for us & for the pub itself. The staff had set the tables out perfectly with floral displays too. They really had gone that extra little bit & we can't thank them enough. We used the outside seating area for a pre-lunch reception where we were met by one of the staff who poured drinks, and we were able to sit chatting for a good while before going upstairs to eat.

Once we'd finished eating, we had 20 mins or so in the skittle alley too - so much fun. They had booked it out to us for the afternoon but time stopped us using it more. So we can't really do anything except heap praise on the pub & it's staff who made us & our guests so very welcome.
